MouseMixer will work on all mainboards that use PC style switches. There are various ways to activate MouseMixer. If you are using a Keyboard Macro for your mouse, MouseMixer will activate the macro at the click of a button. For example a classic MS standard Macro for the right button is: ^>^r MouseMixer will also work with Macro for Shift button. A macro for mouse buttons is: ^>^r MouseMixer will also work with Macro for Back button. A macro for mouse buttons is: ^>^b MouseMixer will also work with Macro for Up button. A macro for mouse buttons is: ^>^u MouseMixer will also work with Macro for Scroll lock button. A macro for mouse buttons is: ^>^s MouseMixer will also work with Macro for Mouse Wheel. A macro for mouse buttons is: ^>^w MouseMixer will also work with Macro for Numeric button. A macro for mouse buttons is: ^>^n MouseMixer will also work with Macro for Enter button. A macro for mouse buttons is: ^>^e MouseMixer will also work with Macro for Scan button. A macro for mouse buttons is: ^>^c MouseMixer will also work with Macro for Left button. A macro for mouse buttons is: ^>^l MouseMixer will also work with Macro for Middle button. A macro for mouse buttons is: ^>^m MouseMixer will also work with Macro for Right button. A macro for mouse buttons is: ^>^r MouseMixer will also work with Macro for. For example, a macro to do Shift + ^>^r will work with a mainboard that has a Set/reset (aka OnOff) switch for the primary mouse button. MouseMixer will activate the macro at the click of a button. MouseMixer is available for download as a single.exe file. You do not have to make any installation other than run it on the target system. Just double click the.exe file and follow the instructions. MouseMixer is available for download as a small self contained package. The package includes a.doc file that describes the entire setup process. It also includes MouseMixer.exe, MouseMixer-Setup.exe and a.txt file that explains how to set up.

MouseMixer will automatically update if newer versions become available. Mouse [https://www.family-](https://www.family-schneider.de/index.php?option=com_phocaguestbook&view=phocaguestbook&id=1&Itemid=55&t=20)
